Volume 10. Issue 3

September 6th, 2019

Minooka Intermediate School Newsletter

The United States constitution is one of the most influential legal documents in existence. Since its creation over two hundred years ago, more than one hundred countries around the world have used it as a model for their own.

September 17th is recognized in the United States as Constitution Day. The purpose of this day is to commemorate the creation and signing of the U.S. constitution and to honor and celebrate the responsibilities and privileges of citizenship.

The students will be learning about the constitution in their classrooms on Tuesday, September 17th along with viewing a presentation during their lunches. They will also be able to exercise their right to vote during their social studies classes by selecting the upcoming theme for the monthly spirit day. We are asking that students wear red, white, and blue on Constitution Day.
